History

3 things to remember

1. God is the Hero

Look for how He saves mankind over and over again. He is the only one who does everything perfectly. Pray for God to show you more of who He is as you read.

2. Look for God's Promises

They often come in the form of covenants. He makes important covenants with Abraham, Moses, David, and others. We see God fulfilling these covenants throughout history.

3. It's all about Jesus

God is working the big picture towards the most important event in history. At the same time God is there saving through the real issues of real people along the way.
