The End of This Age

3 things to remember

1. Revelation gives us a picture of how holy God is.

As you are reading, ask God to reveal His holiness to you.

2. Revelation shows us the two options for every person's future.

One option is to spend eternity in the beauty of God's presence, the ultimate source of joy. The other is to spend eternity in the horror of His absence. If you have not yet made a decision to trust Christ, will you please visit The Gospel section today?

3. Revelation is filled with metaphors.

Don't be too concerned with trying to understand each image or number literally, but look at what they represent. The images are not meant to confuse us, but to encourage us. Pray for God to help you understand how to live in light of God's coming judgment.
